

Facilities On-Site

The holiday homes are situated in a cul de sac with no passing traffic on an open site with communal green areas, bordered by a wood and adjacent to a private marina on the western shore of Lough Derg. There is a dedicated enclosed toddler's play area on site making them an ideal choice for young families

Pet Friendly

Local Attractions

There are a host of activities available locally including lovely walks from the door and marked trails through forests and hills, watersports, fishing, golf, horse riding and much more. There is an outdoor swimming pool in the summer months on the edge of the town, on the lakeshore, open to the public.

Killaloe also provides a great base for touring around Clare, Limerick and Tipperary and holiday makers can easily visit great Irish tourist destinations such as the Cliffs of Moher, the Burren and Loop Head.

Killaloe

The picturesque town of Killaloe, with its 13th century Cathedral and old stone arched bridge linking it to the adjoining town of Ballina on the Tipperary side of the river, is a vibrant hub of local life.

The eclectic mix of arts and craft outlets along with a number of live music venues, provide a rich cultural backdrop to the town, while the great variety of restaurants, bars and cafes ensure that visitors to Killaloe are well catered for.

Lough Derg

This part of Ireland is dominated by the River Shannon which is the longest navigable waterway in Britain and Ireland and Killaloe is ideally situated at the Southern end of Lough Derg, the biggest lake on the Shannon. It is a haven for water based activities from sedate options like fishing and sailing to more high octane ones such as wake boarding and exhilarating power boating.

Lough Derg is big enough to accommodate everybody!
